Comply STEP-BY-STEP

The consumer sets up recurring transactions with your agent.

01 STEP

Your agent explains that they need to confirm the arrangement and asks them what form of authorization they would prefer. The agent can offer 4 options with Comply: EMAIL, TEXT, LIVE, PAPER.

02 STEP

COMPLY tracks and records all levels of authorization including the IP address and time that they give the authorization.

03 STEP

The consumer is given a PDF of their authorization once they have authorized.

04 STEP

The agent has the ability to know when someone has confirmed.

05 STEP
